

Business Solutions

The art of learning is a lifelong skill that helps position employers and employees to remain competitive in today's global economy. Our Business Seminars have been designed to educate and inform employers and their workers on a variety of employment-related matters affecting today's workforce. These seminars, scheduled throughout the region, are provided for a minimal fee and many offer certificates of attendance and/or CEU's that may be applied towards basic continuing education requirements.

"Amazing Face Reading", presented by **Mac Fulfer, JD**

Mac Fulfer has practiced law in Fort Worth for nearly 22 years, since earning his Doctorate of Jurisprudence from the University of Texas in 1975. He is the author of "Amazing Face Reading" and publisher of an article in the Journal for Organizational Excellence entitled "Nonverbal Communication: How to Read What's Plain As The Nose...or Eyelid...or Chin...On Their Faces." His exciting presentation on face reading is based on proven scientific research about how one's thoughts and emotions literally shape one's facial features, providing key information about every individual. Back by popular demand, Mr. Fulfer will be presenting his face-reading seminar on the following dates:
